**Recommendation letter**

To Whom it may concern.

My name is Antonello Finucci I am an Aerospace engineer and since 7 years I am living in Germany. Due to my work I continually change city and I usually rent furnished flats because they best fit to my needs.

I have leaved three years in the flat of Mr. Krauss in Derchinger str. 51 86165 Augsburg, and I can only advice it because I had a very nice journey there.

Mr. Krauss is a very good landlord, always available to solve any issue or problem. The flat offered a very warm atmosphere, it was very clean and with very nice furnitures. Also other colleagues of mine, that are staying at some other Mr. Krauss's flats, have my same impression.

For whom in the future would need a flat in Augsburg for a short or a long period of time I would really recommend one of the flats of Mr. Krauss.

Best Regards

  
Antonello Finucci
