

Hello,

I am Ciprian Teodorescu, I am aircraft engineer and I spent few month in a Mia Max und Louis Immobilien apartment in Augsburg Nord, Wemdinger Weg 8.

The apartment is simply and nice furnished. It is in a very quietly neighborhood in a green area. It is close to stations of tramway line 4 with good access to center. Very close with apartment area there are few supermarkets.

The apartment is comfortable, very large kitchen with excellent facilities. With a big balcony. It is new finished. There are all electronic equipment needed for a good staying.

Mr Krauß is very helpful. I had no mix from his side. He offers clean bed sheets and towels and prepare all in order to have a nice time there.
